

Global expertise

TRILITY has a parent company - Beijing Enterprises Water Group (BEWG) - with a significant footprint across the international water industry.

TRILITY, an Australian company, has a growing footprint with the support of its shareholders, Hong Kong listed Beijing Enterprises Water Group (BEWG), and with that comes a wealth of international experience and know-how. BEWG is a large-scale group that provides a broad range of water services to more than 20 provinces, 100 cities via more than 500 owned and operated facilities. Our Group now has an ever-stronger knowledge and skillset to bring innovation and enhanced value to both our existing and new municipal and industrial clients. Collectively we have over 15,000 employees working across the entire water value chain; assisting our clients address the challenges currently facing our sector such as water scarcity, asset preservation, and climate change. As such, our capabilities span the full life cycle of water, delivering services to millions every day.

As the significant investment and financing platform of infrastructure and public utility in Beijing, Beijing Enterprises Group owns nine companies listed in Hong Kong Stock Exchange, such as Beijing Enterprises Holdings Limited, BEWG, Beijing Development Ltd., Beijing Properties (Holdings) Limited, China Gas Holdings Ltd., and two listed A-share companies, Beijing Yanjing Brewery Co., Ltd. and Fujian Yanjing Huiquan Brewery Co., Ltd. It ranks top three in the state-owned enterprises in Beijing in terms of operation revenue, total assets and profits. It ranked the 194th among China Top 500 Enterprise Groups in 2016, and is the largest public utility enterprise in China.

Be a leading provider of Integrated Water Environment Services

Beijing Enterprises Water Group Limited (BEWG) is a comprehensive and leading professional water services and environmental protection services provider covering industrial investment, design, construction, operation, technical service and capital operation in full industrial chain. Its scope of business covers many fields such as water services in cities and towns, water services in river basins, industrial water services, rural water services, seawater desalination services, environmental sanitation, solid waste treatment, scientific and technical services, financial services and clean energy. It is a company listed on the Main Board of The Stock Exchange of Hong Kong Limited (one of Red Chips, Stock Code: HK 00371), and has been selected in Hong Kong's Hang Seng Index of Chinese Stocks, in Hang Seng Main China 100 Index, in Hang Seng Composite Medium Index, and in Morgan Stanley Capital International Index. Meanwhile, it is one of the first batch of experimental companies of Shanghai-Hong Kong Stock Connect.

BEWG has consecutively ranked No.1 for seven years among "Top 10 Influential Enterprises of Chinese Water Industry". At the Global Water Summit in 2014, BEWG was named one of the Top Four Global Water Service Companies. In 2016, its Changi NEWater Plant II in Singapore won the award of the "Water Deal of the Year", and the company was selected into the list of the Fortune China 500 companies. BEWG has also earned honors including "Listed Companies with Most Valuable Brand" and "Top Listed Companies with Social Responsibility".
